EXPERIENCE

Café Lekslottet, Location – Café Assistant

APRIL 2017 – 2020

Lekslottet is a large indoor playground where I worked as a café assistant and general janitor as part of a dedicated team. My responsibilities included preparing tables and food for children's birthday celebrations, as well as maintaining the café's cleanliness by clearing tables, washing dishes, and mopping floors. I also handled waste management and ensured the playground equipment was safe and in proper working order.

Holmrís B8 A/S, Location – Production employee

APRIL 2017 – 2020

Holmrís is a prominent furniture company based in Bjerringbro, where I worked as a production employee. My role involved assembling tables, cabinets, and various accessories and equipment. I gained hands-on experience across multiple aspects of production, including veneering, operating CNC machines, assembling components, packing, and ensuring final products were ready for delivery.
